Subject: Force a change to average cost on an inventory item with no stock

Date: 01/24/01

1. Go to **PD**
2. Select option **FG**
 - (1) Data File SDNAME (**INPROFLE**)
 - (2) Flag Field Number.....(**51**)
 - (3) Flag Value.....(**99.99***) * The average cost you want
 - (4) Conditional Field Number (**3**)
 - (5) Conditional Operator.....(**=**)
 - (6) Conditional Value.....(**9999999***) * The SKU No. to be fixed

Press enter and it will run to 100%, and should report 1 record flagged

This can be run while others are working on the system.
